VERIFIED MÉTIS FAMILY LINE ASSESSMENT DOCUMENT[1] YOUNG-THOMPSON FAMILY LINE (FL1021)

1 Overview of this Document

This Verified Métis Family Line Assessment Document, along with others, have been prepared by the MNO Registry in order to identify Métis families who were a part of Historic Métis Communities in Ontario.[2] These communities existed in some parts of Ontario where distinctive Métis collectivities who, in addition to their mixed Aboriginal ancestry, developed their own customs, way of life, and recognizable group identity separate from their First Nation and European forebearers, prior to the Crown effecting political and legal control in a given region.

The MNO represents various regional rights-bearing Métis communities throughout Ontario; these communities consist of the Descendants of the Métis Root Ancestors who made up Historic Métis Communities. Based on the Descendants of these Métis Root Ancestors applying for citizenship within the MNO, the MNO is authorized—through democratic governance structures at the local, regional and provincial levels—to represent the collectively-held rights, interests and claims of these modern-day Métis communities.

Flowing from this authorization, the MNO has adopted a Harvesting Policy to manage the activities of Métis harvesters in Ontario. This Policy provides that an MNO citizen who ancestrally connects to a Métis Root Ancestor is eligible for an MNO Harvester's Card for the identified Traditional Harvesting Territories (also known as Harvesting Areas) that corresponds to the Historic Métis Community to which the citizen's Root Ancestor belonged. To fully understand what is required in order to be issued a Harvester's Card, this Verified Métis Family Line Assessment Document must be read with the *MNO Registry Policy for Identifying and Documenting Verified Métis Family Lines for the Purposes of Issuing Harvesters Certificates to Citizens* ("*MNO Harvesters Certificate Policy*").

2 Rationale for Inclusion as Verified Métis Family Line

The Young-Thompson family was a part of the identified Historic Métis Community of Northwestern Ontario/Treaty 3 (the "Métis Community").

The Forebearers for this Verified Métis Family Line were John Young and Ellen Magna Thompson. Ellen was a Documented Métis; she was identified as "Hbd" on the Northwest Halfbreeds Métis Scrip

[1] This Verified Métis Family Line Assessment Document must be read in conjunction with, and relies on the defined terms in, the *Appendix to Verified Metis Root Ancestor Packages for the Historic Métis Community of Northwestern Ontario/Treaty 3*.

applications of her children. The Forebearers' marriage was recorded in the Lac Seul Mission Register in 1883. At this point, the couple had at least four children, all born in Lac Seul, suggesting the Forebearers were already married *à la façon du Pays.*

The Métis Root Ancestors for this Verified Métis Family Line are the 15 children of the Forebearers. Twelve of the Root Ancestors were Documented Métis. The first record of a Root Ancestor in the Métis Community is in 1877, when Root Ancestor Christina Young was born in Lac Seul. This places the family in the Métis Community three years prior to Effective Control.

The Historic Records demonstrate that the Métis Root Ancestors and their Descendants spent their lives in the Métis Community, as they are repeatedly documented there. Root Ancestor Mary Young was baptized at Lac Seul in 1878. In 1899, Mary was married in Rainy River, and had six known children. She was recorded with her family in Rat Portage in 1901, when she was enumerated as "Scotch b." Another Root Ancestor, Christina Young, applied for Northwest Halfbreeds Métis Scrip in 1902. On her application, she noted that she had resided in Rat Portage for the last two years, but prior to that lived in Lac Seul "as far back as I can remember." Her sister, Root Ancestor Annie Young, applied for Northwest Halfbreed Métis Scrip at the same time as Christina, with the same notation. Root Ancestor Robert Young also received Northwest Halfbreeds Métis Scrip in 1903, in Lac Seul. Root Ancestor Elizabeth Young married in Rat Portage in 1904, and had four known children. One of Elizabeth's daughters, Evangeline, married in Kenora in 1925. Root Ancestor Catherine Young married in Rainy River in 1908, and one of her daughters was born in Kenora in 1909.

The Young-Thompson family had Kinship Connections to other Verified Métis Family Lines that made up the Métis Community, as well as from neighbouring Métis Communities. Root Ancestor Mary Young married Peter Finlayson of the Finlayson-Davies Verified Métis Family Line (FL1007). One of their daughters, Nellie Finlayson, married Stewart Graham Iserhoff of the Favell-Titameg Verified Family Line (FL3010) in 1923 in Chapleau. Root Ancestor Elizabeth Young married Benjamin Finlayson of the Finlayson-Davies Verified Métis Family Line (FL1006). Another Root Ancestor, Florence Young, married Michel Godin of the Goodwin-Mistigoose Verified Métis Family Line (FL1017) in 1921 in Kenora. Their marriage was witnessed by Thomas Finlayson of the Finlayson-Davies Verified Métis Family Line (FL1007).

This is a Verified Métis Family Line for the following reasons:

- There is evidence that the Métis Root Ancestors and Root Ancestors Descendants in this family line were Documented Métis, including many family members also being identified in various ways as Métis in the Historic Record (*i.e.* the 1901 Census, scrip applications and marriage certificates). In addition, the family self-identified as Métis, as demonstrated through applications for Northwest Halfbreeds Métis Scrip.
- There is evidence that the Métis Root Ancestors were in the Métis Community prior to Effective Control.
- There is evidence that these Métis Root Ancestor Descendants had Kinship Connections to other Verified Métis Family Lines that made up the Métis Community (*i.e.* FL1006, FL1017, and FL3010), though marriage and witnessing relationships.
- Through the Historic Records contained in the Supporting Documents, there is evidence that the Métis Root Ancestor and Root Ancestor Descendants had an ongoing presence in the Métis Community for successive generations (between the Forebearers, Métis Root Ancestors, and their Descendants, this documented presence spanned more about 70 years).
- This Verified Métis Family Line continues to have an ongoing presence within this Métis Community today with many MNO citizens ancestrally connecting to the identified Métis Root Ancestors.

3 Background on Verified Métis Family Line

Forebearer John Young was born around 1846 in Dunrossness, Scotland[3] and immigrated to Canada around 1869, when he began employment with the Hudson's Bay Company (HBC). He was first employed as a labourer but not assigned to a particular post.[4] John Young indicated in a 1902 Northwest Halfbreeds Métis Scrip application on behalf of his son that he came from Scotland "via York Factory."[5] In 1870, he was a labourer at Lac la Pluie for the HBC, and was engaged there until 1875, when he became a freeman.[6]

Forebearer Ellen Magna Thompson was born around 1856 in Lac Seul.[7] Over the course of her lifetime, she is recorded using different names such as "Mary"[8] "Magna"[9] "Maggie"[10] "Ellen"[11] and "Helen."[12] Her surname also appears as "Moqua"[13] "Mompson"[14] "Thomson"[15] and "Thompson."[16] In 1884, Ellen Thompson received annuity payment as a member of the Lac Seul and Sturgeon Lake Band.[17] In 1886, Indian Agent John McIntyre recorded Ellen Thompson as a treaty Indian.[18] Ellen Thompson applied for commutation from treaty, and was approved in 1886-1887.[19]

Together, John Young and Ellen Thompson had 15 known children. John and Ellen's first child, Mary Young, was baptised at Lac Seul in 1878.[20] John and Ellen's marriage was recorded in the Lac Seul Mission Register, in 1883.[21] By this point, they had at least four children together suggesting they had married in the traditional Métis fashion – *à la façon du Pays*.[22]

Ottawa, 23rd December, 1902.

Sir :-

Re claim 1993 etal of 1902.

Claims have been made before me by the children of John Young of Lac Seul, as follows :- Thomas Young, Annie Bentley nee Young, Christina McRoberts nee Young, Elizabeth Young, Robert Young, Sinclair Young, and Mary Finlayson nee Young. All these children are claimed to have been born at Lac Seul, with the exception of the last named who states she was born at Trout Lake.

John Young swore that he lived at Lac Seul,Keewatin, that he had lived there thirty three years; that he came from Scotland via York Factory to Lac Seul where he was in the Hudsons Bay service and has since lived, that he lives about a mile and a half north of the Hudsons Bay Post at Lac Seul.

The mother of the children is Magna Thorgeson. She is variously referred to in the evidence under the names of Magna, Maggie, Mary and Ellen. The information I have from the Indian Department is to the effect that

(2)

Magna, the wife of John Young, was paid annuity at Lac Seul from 1877 to 1885 and received her annuity in 1886, and that none of her children appear to have been in treaty.

Christina McRoberts and Mary Finlayson gave their residence as Rat Portage, where they state they had been living for the past few years.

I should be pleased to have from you such information as you are able to give me in regard to this family and their residence at Lac Seul, Keewatin.

Sir,

I am sworn of the fact that I have not the authority to take such documents in evidence — but you can take them for what they are worth.

From the statement of Murdock McPherson Robertson son between Thomas + Jonathan and corroboration of evidence.

From that of James Bunting that you have his statement of the family and from the mother Indian name may be accounted for the name in the Commutation record of the Indian Department. for to the ordinary person it may be spelled Little Magnus. I think this is the way it was in the certificate from the Indian Commission If I was writing it as it sounds time by the Indian Language. Swonds spelt at Moo-quia — Morrison Mr McGregor spelled it as it is in their books of Comm — and as he knows and I know as written it.

I trust that you may be able to decide the cases effected thereby at an early date.

Phillip Godin Died At Fort Frances 1960

Phillip Norbert Godin, 72, an enthusiastic follower of the Fort Frances Canadians for many years, was stricken at the hockey game in Fort Frances Memorial Arena Monday night and passed away shortly after.

Funeral service was held at 9.30 a.m. Thursday (today) at St. Mary's Roman Catholic church. Interment was in the veterans plot in Holy Cross cemetery.

Born on Nov. 21, 1887 in Keewatin, Ont., Mr. Godin enlisted in the first war with the Bull Moose battalion of Kenora and went overseas with the Canadian army.

He was married on Aug. 21, 1918 to the former Eliza Nelson in Rainy River, Ont., where he resided and did commercial fishing on Lake of the Woods until 1926. He moved to Fort Frances in that year. He worked at the Border Sawmill and later for Paul Laurence Construction Co.

He was a familiar figure in Fort Frances while employed with various draying firms. He retired in 1953. A great outdoor man, Godin loved hunting and fishing.

Survivors are his widow, Eliza, and four daughters, Mrs. Frank (Martha) Iraci, International Falls, Mrs. Henry (Marie) Alexson and Mrs. George (Jean) Brickles, both of Port Arthur, and Mrs. Lucille Saderlind, Fort Frances. A son, Lewis, died in 1946. Also surviving are, three brothers, George of Rainy River, Michael and Norbert, both of Fort Frances; a sister, Mrs. Oui Camirand, Fort Frances; and 1 grandchildren and 3 great granchildren.

246932

Ottawa, 22nd February, 1902.

The Honorable

Clifford Sifton K. C.,

Superintendent General of Indian Affairs.

In accordance with your directions there has been referred to me the papers respecting the suggested extinguishment of the Indian title in the territory lying north and north-east of the territory in Ontario covered by the Robinson Huron Treaty.

I note that the communication from the Indians describes the territory as being in Ontario and Keewatin, while the maps submitted show the territory as being in Ontario and Quebec, the main portion being in the former Province.

I mention this because in extinguishing the aboriginal title in the territory covered by Treaty Three there has been an apparent inconsistency. The territory is partly in Ontario and partly in Keewatin and a portion extends into Manitoba. The Halfbreed Claims Commissions of 1885 et seq. and the Department of the Interior recognized the Halfbreeds of the ceded portion of Keewatin as North West Halfbreeds. There was therefore no course open to me but to do likewise. The consequence is that Halfbreeds living on the Keewatin side of the English River are recognized as having territorial rights and get scrip, scrip which they may locate in Manitoba or any part of the North West

Indian Affairs. (RG 10, Volume 3033, File 235,225 Pt. 1)

Territories; while the Halfbreed on the Ontario side who naturally comes and makes claim has to be told that he has no territorial rights. We must take care to avoid the perpetuation of this.

Therefore I would at once say that the suggested extinguishment of Indian title should stand until the settlement of Halfbreed claims is completed, so that we may start with a clean slate in that respect. Then to avoid as far as possible the appearance of inconsistency, I would suggest that the extinguishment be confined to Ontario and Quebec and be made in the form of an adhesion to the Robinson Huron Treaty, with any alterations which difference in conditions may make desirable. If the treaty extended to Keewatin influences would at once be put in operation to lead many of the people classed as natives to set up claims to white blood, to declare that their habitat was in Keewatin and to demand scrip instead of treaty. On the other hand if we keep out of Keewatin, all of the people who are really living the life of aborigines will come into Treaty.

Now as to the question as to the rights and responsibilities of the Provinces in the matter of extinguishing Indian title within their boundaries, I think a most important fact to be borne in mind is that the Confederation Act puts Indians and Indian Affairs under the central power and that the practice is that all Governmental dealings with the Indians are confined to that power. To depart in any way from that practice would lead to confusion, and no thought of doing so should I think be entertained. Certainly no suggestion in that direction should come from us.

I think that the powers of judicial enforcement should

lead us to have an understanding with a Province before extinguishing Indian title to territory within its boundaries; but our aim should be to have such an understanding as would not run counter to our general Indian policy.

The suggested cession will cover the whole of the unceded portion of Ontario, and as to it, I would suggest that it should stand for discussion and consideration with the Indian matters now in dispute with that Province, which, I understand, you are taking early opportunity of having disposed of. I may add that, in my opinion, all we should insist on is that Ontario should stand, as to its participation in the proposed treaty on the same footing, when the latter is effected, as the Robinson Huron treaties.

In connection with the terms of the treaty in this case, it may not be unnecessary to recall to your mind that the view that a Province should receive an Indian cession free of the Indian charge is based upon the remark of Lord Watson in the St. Catherine's Milling case, that his Lordship cannot be regarded as part of the agreement would seem to be established by the agreement under seal of 1850 in the Robinson Huron case which recited Council, irreconcilable with Ontario's position, treaty to be of the Province of Canada, although all the benefits accrued to Ontario. This is discussed in the joint report of the Minister himself on the matters in dispute with Ontario.

My opinion is that our policy, both from the Federal and local standpoints, demands that the extinguishment of Indian title should be completed on the lines already followed, and it

246932

(4)

that the development of Northern Ontario will make it desirable to complete the extinguishment in the Province before very long.

As to the suggestion of sending a special officer to the country to make enquiries and report preliminary to making a treaty, I cannot see that this is necessary. I would propose that the officers who pay the Robinson Huron annuities this year be informed of the representations made by the Indians and instructed to ascertain, as far as their line of travel will make possible, the number of Indians in the territory and their habitat, described by natural boundaries, and told to advise any enquiries that the Government has the request for a treaty under consideration and that they will be visited later on of the question.
