# VERIFIED MÉTIS FAMILY LINE ASSESSMENT DOCUMENT
# CORBIERE-NOLIN FAMILY LINE (FL4020)

## 1 Overview of this Document

This Verified Métis Family Line Assessment Document, along with others, have been prepared by the MNO Registry in order to identify Métis families who were a part of Historic Métis Communities in Ontario.[1] These communities existed in some parts of Ontario where distinctive Métis collectivities who, in addition to their mixed Aboriginal ancestry, developed their own customs, way of life, and recognizable group identity separate from their First Nation and European forebearers, prior to the Crown effecting political and legal control in a given region.

The MNO represents various regional rights-bearing Métis communities throughout Ontario; these communities consist of the Descendants of the Métis Root Ancestors who made up Historic Métis Communities. Based on the Descendants of these Métis Root Ancestors applying for citizenship within the MNO, the MNO is authorized—through democratic governance structures at the local, regional and provincial levels—to represent the collectively-held rights, interests and claims of these modern-day Métis communities.

Flowing from this authorization, the MNO has adopted a Harvesting Policy to manage the activities of Métis harvesters in Ontario. This Policy provides that an MNO citizen who ancestrally connects to a Métis Root Ancestor is eligible for an MNO Harvester's Card for the identified Traditional Harvesting Territories (also known as Harvesting Areas) that corresponds to the Historic Métis Community to which the citizen's Root Ancestor belonged. To fully understand what is required in order to be issued a Harvester's Card, this Verified Métis Family Line Assessment Document must be read with the *MNO Registry Policy for Identifying and Documenting Verified Métis Family Lines for the Purposes of Issuing Harvesters Certificates to Citizens* ("*MNO Harvesters Certificate Policy*").

## 2 Rationale for Inclusion as Verified Métis Family Line

The Corbiere-Nolin family was part of the Historic Métis Community of Sault Ste. Marie (the "Métis Community").

The Métis Root Ancestors for this Verified Métis Family Line were Marie Madeleine Nolin and John Corbiere. Both Root Ancestors were born in the Métis Community, in Garden River, around 1821. The Root Ancestors are therefore documented in the Métis Community almost 30 years prior to Effective Control.

[1] This document has been created for MNO internal use only. It should not be used for other purposes without the express written authorization of the MNO.

Both Métis Root Ancestors were Documented Métis. Métis Root Ancestor Marie Madeleine was enumerated as "Chip. F.B." (Chippewa French Breed) on the 1901 Census of Canada. Métis Root Ancestor John Corbiere signed the 1850 petition of Sault Ste. Marie Métis, which requested that they not be dispossessed of their land because of the Robinson Huron Treaty. His name appeared alongside the names of Root Ancestors and Descendants from many other Verified Métis Family Lines, including the Lesage-Legardes (FL4027), the Perraults (FL7012), the Labattes (FL7018), Cadrant-Clermonts (FL4003), and the Sayers (FL4014). Multiple generations of Descendants were also identified as Documented Métis, namely, on the 1901 Census Canada, where they are enumerated as "Chip F.B.".

The Historic Records demonstrate that the Métis Root Ancestors and their Descendants spent their lives in the Métis Community, particularly in Garden River. The Root Ancestors married in 1842, and had nine children, born between 1843 and 1865. Root Ancestor John Corbiere was recorded on the 1871 and 1891 Censuses of Canada in Garden River and Sault Ste. Marie. The Censuses indicated that he was employed as a fisherman and a trader.

One of the Root Ancestors' sons, John Corbiere (Jr.), was also recorded in Garden River in 1891 on the Census of Canada as a fisherman. John Corbiere (Jr.)'s family, including his wife and five children, are recorded with him in Garden River. Madeleine Corbiere, daughter of the Root Ancestors, was enumerated with her family in Garden River in 1901. Her husband, Michel Boyer, was a Documented Métis who also signed the 1850 Petition to the Governor General. Another daughter of the Root Ancestors, Julia Corbiere, was recorded in 1871 in Sault Ste. Marie, and then again in 1901 in Garden River, along with her family. She died in Garden River in 1934. Her sister Marie is also enumerated in the 1871 Census in Sault Ste. Marie, and appears in 1901 with her husband, Documented Métis Francois Boissonneau, with their children. A son of the Root Ancestors, Louis Corbiere, is recorded in 1891 and 1901 in Garden River with his second wife and several of his children. He died in Garden River in 1935. Joseph Corbiere, another son of the Root Ancestors, was also enumerated in Garden River in 1901, with his mother, Root Ancestor Marie Madeleine.

Grandchildren of the Root Ancestors were recorded in Garden River. Christine Bossionneau, a granddaughter of the Root Ancestors, was born in 1871 in Garden River, and recorded there in 1891 and 1901, with her daughter (great-grandchild of the Root Ancestors). Christine Boissonneau died in 1929 in Garden River. Two other grandchildren of the Root Ancestors, siblings Marie Bernadette and John B. Boissineau, were enumerated in Garden River in 1901.

The Métis Root Ancestors and their Descendants had Kinship Connections to other Verified Métis Family Lines that made up the Métis Community, in particular to the Boissonneaus (FL4001) and Lesage-Schwinks (FL4021). Root Ancestor Descendant Marie Corbiere married Francois Boissonneau, a Root Ancestor of the Boissonneau Verified Métis Family Line (FL4001). Her brother, Louis Corbiere, also married into the Boissonneau family, when he wed Marie Boissonneau, a Descendant of that line. In addition, census records indicate that the Corbiere-Nolin family lived in close proximity to the Boissonneaus, as Descendants of the Corbiere-Nolin family are recorded on the same census page as Descendants of the Boissonneau family. Root Ancestor Descendant Mary Madeline Boyer married Antoine Lesage of the Lesage-Legarde Verified Métis Family Line (FL4027) in 1894. Sarah Therese McHale, another Root Ancestor Descendant, witnessed the marriage of John Kobeosse and Francis Lesage of the Boissonneau and Lesage-Schwink Verified Métis Family Lines (FL4001 and FL4021, respectively) in 1924 in Garden River. Later that year, Sarah married Documented Métis Leonard Lesage of the Lesage-Schwink Verified Métis Family Line (FL4021). The wedding was witnessed by Leonard's half-sister Philemon (Helen) Lesage of the Boissonneau and Lesage-Schwink Verified Métis Family Lines (FL4001 and FL4021, respectively).

This is a Verified Métis Family Line for the following reasons:

- There is evidence that the Métis Root Ancestors and Root Ancestors Descendants in this family line were Documented Métis. Many family members are identified in various ways as Métis in the Historic Record (*i.e.* the 1901 Census which identifies many family members from multiple generations as "Chip F.B."). In addition, one of the Root Ancestors self-identified as Métis through their signing of the 1850 Petition to the Governor General from the Sault Ste. Marie Métis.
- There is evidence that the Métis Root Ancestors and Root Ancestor Descendants were in the Métis Community prior to Effective Control.
- There is evidence that these Métis Root Ancestor Descendants had Kinship Connections to other Verified Métis Family Lines that made up the Métis Community through marriage and witnessing relationships: the Boissonneau (FL4001) and Lesage-Schwink (FL4021) Verified Métis Family Lines.
- Through the Historic Records contained in the Supporting Documents, there is evidence that the Métis Root Ancestor and Root Ancestor Descendants had an ongoing presence in the Métis Community for successive generations (between the Métis Root Ancestors and their Descendants, this documented presence spanned about 114 years).
- This Verified Métis Family Line continues to have an ongoing presence within this Métis Community today with many MNO citizens ancestrally connecting to the identified Métis Root Ancestors.

To His Excellency The Earl of Elgin and Kincardine, Governor General of British North America, and Captain General of Her Majesties Forces therein &c &c &c

The Petition of the undersigned, Inhabitants of the Village of Sault Ste Marie

Humbly Sheweth:—

That Your Excellency's Petitioners, with the Exception of some five or six, are all of mixed Indian Blood and have been born upon the Soil — that Each of them has held, occupied and Cultivated the land, wherein they now reside, for many years past, most of them having inherited their possessions from their mothers, and the residue having purchased from half-breeds or Indians.— That the five or six, first above referred to, came to the Country some thirty or forty years since, and married Indian Women, through whom they acquired their said possessions respectively, which they have occupied and cultivated ever since, that they all served the Crown during the last War, most of them having been present at the taking of Mackinac, and that some of them even received a Grant of Land from the Crown for their Services:—

Your Excellency's Petitioners humbly Pray

as present

To His Excellency The Earl of Elgin,
Governor General of The Province of Canada,
and Captain General of Her Majesty's forces
thereon. &c &c &c.

The Memorial of the undersigned
Chiefs of the Odjebwa's. Hereby sheweth, that
by the treaty signed and entered the 9th day
of September inst. between themselves, and
the Hon.ble William B. Robenson upon the part
of the Crown, whereby was ceded to the Crown cer-
tain lands at the Sault de Ste. Marie, Whereon
several parties had settled and cultivated, sever-
al of them for upwards of forty years by and with
the consent of ourselves and people, and with scarce
one exception, all have married Indian women, and
by them have families, with these exceptions the whole
of the inhabitants of the Sault are what are termed
"half breeds" very many of them, the children of the
Sisters and the daughters of your Memorialists. Thus
having an inheritance in the Country equal to our
own, and bound to it by as strong and heartfelt ties
as we ourselves, we being apprehensive that the Government
after having purchased this land of which these people
also are equally the rightful and just owners, it would
exact from them a purchase money, far beyond that
which the Government has paid to us, to participate
in which the half breeds are not permitted by the Govern-
ment, the Chiefs therefore had prepared an article to
be enscribed in the deed of Treaty in the following
words, "The Schedule hereunto annexed is to be taken
and considered as a part of this treaty and the tracts or
parcels of land now in occupation or possession of the
several individuals mentioned, shall be granted by
a free grant from the Crown to each of the individuals
respectively and their heirs and assigns forever, said
patent to be issued so soon after the signing and
ratification of the treaty as possible" But the Honorable
the Commissioner not feeling himself authorized
to accede

to accede to such Stipulation, did not have it inserted, but advised your memorialists to appeal to the representative of the Sovereign to have the people therein referred to, protected in their lands and properties in the manner above discribed, many are qualified by education, knowledge of civilized life, and habits of industry to protect their own interest and maintain themselves as independent members of the community, and thus the example and encouragement held out by the admission of the more enlightened of our people to all the privileges of the whites will be the highest incentive to exertion to those orther of our people, who are not yet advanced to such a Stage of civilisation as would enable them to take care of themselves,

Another article we had desired to introduce was as follows " It being deemed important that the "half breeds" scattered through this extensive country, shall be stimulated to exertion and improvement by the possession of permanent property and fixed residences the Objebwa nation, in consideration thereof and the affection they bear these people and their Children and the interest they feel in their welfare, grant to each of the persons discribed in the schedule hereto annexed, one hundred acres of land to be located upon ~~on~~ some part of the lands ceded by this treaty, and that free patents for each hundred acres, shall be granted by the Government to the individuals respectively and their heirs forever, so soon as the parties therein referred to, shall have made the location they desire respectively.

The same reasons which precluded the above articles applies also to the following."

" The majority of the Inhabitants of the Sault being attached to the Roman Catholic Religion and having for many years past set apart a piece of ground for the purposes of a Chapel and Mission house and upon which also is their burying ground, the same shall be granted by patent to the Roman Catholic Bishop of Toronto —
